

Canine Boarding

Our kennels are some of the best boarding facilities in Montgomery. When you have to travel, you need a place to keep your pet where you know they will be comfortable and cared for properly. Our kennel can be your pet's home away from home!

Accommodations:

- Separate Climate Controlled kennel areas.
- Dog only boarding in kennels, completely separated from the Feline boarding area.
- Spacious runs, with elevated flooring to keep them off the cold, hard concrete, and minimize soiling themselves. All runs are over 20 square feet in total area!
- Frequent walking and playtime programs to be sure pets get the exercise they need. Check out the Doggy Day Care option too!

We invite you to come by and take a tour of the kennels. We think you'll be pleased!
