Dr.'s hours are Monday through Friday ONLY.

Saturdays the office is open from 8:00am till 12:00pm. Only urgent care needs are seen on Saturday mornings.

Our office does not have regular hours on Sunday, but we do provide scheduled pickup services on Sunday and Saturday afternoon. These services must be pre-arranged with our staff in order to coordinate them.

We provide 'drop off' services for pets in need of veterinary care at no additional charge. If you have errands you need to run during the day, or need to leave your pet with us while you are at work, feel free to do so, and pick them up later! We'll babysit them all day if you need it, no charge!

Emergency services:

334-279-9100

You can call our regular office number after hours. This line is forwarded to the veterinarian on duty for the purpose of handling emergency situations. The veterinarians cannot make appointments, arrange boarding or look up information such as rabies tag numbers after hours. Even though they may answer the phone, they are not actually on site and do not have access to the computer database. If you leave a message with their voicemail system about a non emergency situation, you may not receive a return call, and there is no guarantee that the information will be transferred to the staff in a timely manner on the following business day. Please call during regular office hours for this type of service. Thank you for your understanding in this matter.
