

Save on our services with a Superchirp subscriptions!

We've instituted a new sub-

scription based savings plan for pet health care using Twitter! For \$4.99 a month, you can subscribe to our twitter account and get savings codes to use to save on many of our regular services. Each week we'll 'tweet' a savings code you can use to save on services ranging from boarding, to surgery or dentistry. Sometimes, we'll just send out codes for free gift cards to be used on anything!

In addition to savings codes, we'll also send out tweets about pet health care, and any immediate newsworthy items to help you keep your pets healthier.

Visit www.superchirp.com/bramc and subscribe to the supechirp account to cash in on the savings. If you want to subscribe to our regular twitter account, for free, you can do so at www.twitter.com/bramc. Sometimes we tweet out stuff to help you save there too!
